Dear Paul,

Long time no hear.

Enclosed are some clippings of interest to a friend with whom I work.

I don't know whether you have any knowledge of this or whether, if you do and it is or might be relevant, it would be of a nature you would regard as confidential. If not, let me ask a few questions.

Could Lowery have been Hosty's boy? *← maybe*

Is there a remote possibility that Oswald served or was intended to serve in similar capacity for the Dallas police? *yes but no record of it anywhere*

Have you any reason to believe he was once doing this for the FBI and Hosty's job was to heat him up again? *✓ Rather believe they were trying to*

Shoe salesman in Oak Cliff is suggestive, isn't it? *recruit him as an informer*

The remuneration is approximately what Sweatt attributed to Oswald. Did he ever tell you this story? *Yes*

That GI Forum involved a man who was badly abused and innocent, one Joe Molina. *But up and they won't talk about it per DA*
but there is a new source now an asst. DA

Lowery apparently was one of the Bureau's informants on that. Their interest baffles me. *I know tons of info on this*

Perhaps other questions will suggest themselves to you. Hope you have time to answer and that everything is going well.

Best,

Hol
